**RELOCATABLE / PORTABLE STORAGE
 BUILDING SYSTEMS**

Relocatable \ Portable Building Systems

Portable storage buildings provide you with additional storage units when you need them. Manufactured completely from hot-dipped galvanized steel components and available in pre-finished colors, these buildings will provide you a lifetime of rentable income. Suitable for existing sites requiring a few more units, or sites with potential customers waiting for new buildings to arrive, these portables

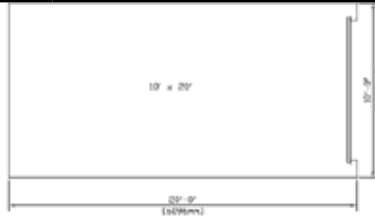

start your rental income when you most want it. As fully portable units, these buildings also qualify for multi-year equipment leasing packages. Let us show you how to add immediate profits with minimal upfront costs. Let us show you how to add immediate profits with minimal up front costs to your bottom line.
